## New Year, New Look!

Hi Jonathan

Welcome to our first weekly bulletin of a new year. We hope that you like our new look!

We had a fabulous start to 2021, with our nine-hour online New Year's Eve Extravaganza of games, dance and music taking us through until 4am! If you've not yet tried any of our online events, then please give them a go. There's a large and varied selection of things to help occupy your time and provide valuable social connection.

## Spice Girls Go Scavenging!

On Saturday, we visited a rather snowy Crow Nest Park to test our observation skills on our fun Scavenger Hunt. After a couple of hours of exploring, and with a score of 22 out of 26, the Spice

Girls were declared the winners and took home their biscuity prizes to enjoy with a nice warming cuppa!
