Daily warm up

Hi Jonathan

Throughout the month, Leeds Playhouse are hosting a free [Daily Warm Up](#) at 9:45 in the mornings. Why not join in, and get moving to start your day?

There are still plenty of online events going on to keep you entertained, at least until we can meet up for real. On Tuesday we played What's the Next Line, themed on transport, as we remembered song lyrics covering everything from milk floats to submarines! The next one will be on 1 April and the theme is [Foolish songs!](#)

Why not click the button below now to see all that is happening?

Weekend update

Unfortunately, our Scarborough break cannot go ahead this spring, but we have rescheduled it for the [extended Jubilee Weekend in 2022](#). It's sure to be a great weekend as we make full use of the four-day break! We are working with our suppliers to find if the Yorkshire Adventure Weekend and the Midsummer Pennines weekends can go ahead and we hope to have an update on both of these by next week.

Some of the other [Spice Yorkshire weekends](#) are now filling fast, and both the [Masham Beer and BBQ Camping Weekend](#) and the [Beverley Festival of Christmas Weekend](#) are both now full. Do use the waitlist if you have missed out on a place.

The singles and ensuite twins for our [National Weekend at Denstone](#) are now fully booked, but there are still a few standard twins, and dormitory and camping places available, so why not join us for this big national party weekend? The [40th Anniversary National Ball](#) is also over 80% booked. These five-yearly events are the largest of Spice get togethers, and we already have over 300 people booked, so don't leave it too long.

We have been adding some more walking weekends organised by our friends at Walkwise, but they are filling up faster than ever, with some sold out within ten days of appearing on the website, so do keep looking regularly. Click the button below to see all our weekend breaks across the country.

That's lovely!

On Monday, we celebrated St David's Day with Andy from Spice Wales and Jamie of Spice Scotland, and were joined by our celebrity guest, BBC Radio 2's gardening expert, Terry from the Rhondda. Truth be told, with chat, Welsh language, music by Welsh artists, and Andy's Wales or Whales quiz, it was cracking!
