## Keep Dancing!

Hi

As our line dance classes have continued, the routines we are dancing have become gradually more complicated. Some people (yes, I'm one of them) find they become difficult to remember, so from now on Barry will teach an easier routine every second Wednesday, with a longer intermediate routine on the alternate weeks. [Next Wednesday's class](#) is one of the easier routines, so if you haven't joined us yet, why not give it a go?

We also now have weekly Dance FitSteps classes every Tuesday with JJ, which start with a warmup, followed by simple dance moves from a range of dance styles.

All these classes start at 6pm and cost just £5 for Spice members. Why not click the button below now to see all that is happening?

## Weekend update

Following last week's update, we now have some further changes to weekend breaks.

Unfortunately, our [Yorkshire Outdoor Adventure Weekend](#) has had to be rescheduled to the weekend of 3 to 5 September 2021. Due to cancellations, we now have a couple of places available for anyone that wants to join this fun active weekend.

We've also moved our [Midsummer Hostel Weekend in The Pennines](#) on a week, which will allow it to go ahead, assuming the roadmap out of lockdown goes to plan. The new dates are 25-27 June, and we really hope this can be the first Spice Yorkshire break to go ahead after the lockdown. Again, we have had a few cancellations as a result of the date change and we are offering places to people on the waitlist, in order. Do use the waitlists if events you would like to join are full, as they are your best chance of getting a place!

We've also added some more hotel-based walking weekends, as we expect these to be able to go ahead Covid-securely from an earlier date. The [Bank Holiday Walking Weekend Snowdonia Mountains](#) is a three-night stay with guided walks each day. For a shorter break, check out the two-night [Walking Weekend Dolgellau, Southern Snowdonia](#).

All the breaks are popular and filling fast, so do keep a regular eye on the website for new ones, particularly if you prefer a single or sole-occupancy room.

If you can make a midweek break, we have a new [Anglesey Mid-Week Hostel & Camping Break](#) in July.

Last week I said that the singles and ensuite twins for our [National Weekend at Denstone](#) were fully booked, but having cross checked the bookings this week, we do have a very few single rooms still available, as well as some standard twins, and dormitory and camping places. Join us for this big national party weekend! The [40th Anniversary National Ball](#) is also getting close to full. These five-yearly events are the largest of Spice get togethers, and we already have over 300 people booked, so don't leave it too long.

## New Year in Italy

It may seem that 2021 hasn't really got started yet, but there's no harm in planning ahead, and we have just made our New Year holiday in Italy available. Join Clare and Andreas to see in the new year the Italian way.
