

## We went to the pub!

Hi

What a lovely day we had on Saturday in the spring sunshine as we walked around the three reservoirs near the village of Ingbirchworth near Penistone. The photo above shows us after climbing high above and looking down on Royd Moor and Scout Dike reservoirs. Perhaps even more excitingly we got a table in the marquee in the pub ~~garden~~ carpark afterwards!

We're gradually increasing the event programme as more becomes possible. Yesterday evening was our first evening walk of the year as we explored the canal and some of the woodland around Mirfield. On Saturday we have another [stroll around Wakefield's parks, with our first outdoor meal](#) of the year at the end, and although it's nearly full, there are just a couple of places still available as I write this. I was also surprised but happy-surprised to find an Indian restaurant with an outside area, so we have an [outdoor curry club in Bradford](#) next week!

The European Super League may have collapsed before it even started, but we're starting to get some sport in the Spice programme! This evening we have tennis in Sheffield, and if it's a success, we will look to book more dates. We have a [tennis session in Rothwell](#) next month too. We've also booked a [round of golf in Leeds](#). Our usual badminton and ten-pin bowling sessions will have to wait a little longer, but we will bring them back as soon as we can.

Please note that we have rescheduled the [Temple Newsam stroll](#) to a Sunday 16 May and would like to thank Andrew for offering to lead the walk. If you know of any nice walks and would be happy to lead a group around, then please reply and let me know!

Enjoy the sunshine  
Jonathan

## Good luck!

Good luck to the Yorkshire / Manchester family who will face London & Thames Valley in the final of Spice Group Family Fortunes on Tuesday evening! Last week, we asked if you could guess which accent was missing from the board taken from the semi-final above. For those that had a guess, I can tell you that the missing answer was Irish!

## Weekend update

Our weekend breaks are more popular than ever. A Scottish hostel break that we released last week was already fully booked within 24 hours, so please keep an eye on the website or Spice app for new events and be ready to act fast!

Our big [National Weekend in Denstone](#) this summer has around 150 bookings including lots of Yorkshire members, but there is room for a few more in twin rooms, dormitories, or camping. Do have a look at this fun circus-themed weekend with two party nights, fun workshops, sports, walks, quizzes, bike rides and more packed in!

The Yorkshire hostel weekends are filling fast too. There are only around half a dozen places left now on each of the [Kettlewell](#) and [Scarborough](#) weekends. You only need to pay a small deposit to secure your place.

Click the button below to see all our weekend breaks across the country. Please note that they are very popular; many are already full, and others are filling fast, so don't delay, book today! If you have missed out, then the sooner you go on the waitlist, the better chance you have!
