

The Entertainment Corps

What fun we had in York on Tuesday when Spice Military were admitted as interactive exhibits of the 20th Century Entertainment Corps at York Army Museum. We have a certificate to prove it! The museum has a range of exhibits from the 17th century right through to the story of Captain Sir Tom Moore, and we were honoured to meet Florence Nightingale too! There are some [photos on our Facebook page](#).

It was great to get back to Ten Pin Bowling last night, with our first game in Sheffield. Well done to Julie, who got the top score. We're [playing again in Leeds this evening](#) and there are a few places available if you want to join us. We expect to play again next month too, but are waiting to find if we can return to our usual fun pyramid game before we add it to the website and app.

We are hopeful that the restrictions on indoor events will be lifted the week after next, and that will allow us to return to a much more normal event programme.

Finally, many events are selling out rapidly, due to limits on numbers, so it's worth checking the website often. Also, why not download the Spice social app if you haven't already. Available for [Apple](#) or [Android](#), from the app stores. If an event you like is full, then put your name on the waitlist, and we can see if we can increase numbers, or arrange a repeat.

I hope to see you on an event soon!

Weekend and holiday update

We have a new holiday for you this week! [Venice Carnival](#) is a four-night stay in a former monastery, and includes a tour of the monastery as well as fine dining one evening on a Venetian Galleon.

[Ski Les Arcs with Spice Yorkshire](#) is also starting to fill, but we do still have a couple of sole-occupancy rooms and a number of twin shares available. Our hotel is well placed right by the main lifts at Les Arcs 1800 offering easy access to the massive Paradiski area, one of the largest ski areas in the world, with a combined total of over 425km of pistes.
