Out in the sunshine

Hi

What a fabulous day we had on Sunday for our latest walk, Oughtibridge and Grenoside. The weather was warm but not too hot, the riverside was beautiful and the views from Birley Stone were fabulous. We enjoyed a welcome drink in one of the village pubs to help cool off at the end. There are some [photos on our Facebook page](#).

It's been great to have Jill back in the office helping to put together some new events as well as rescheduling some that were unable to go ahead last year. Unfortunately, a few events that we had planned in the coming weeks have had to be adapted or postponed due to the pause to the ending of Coronavirus restrictions, but we will continue to do what we can when we can, and the speed of the vaccination programme gives us great hope that we can return to normal later in the summer.

Our two rescheduled curry clubs in [Sheffield](#) and [Huddersfield](#) both filled very quickly, but we do now have a few places available on both if you would like to join us.

Finally, our payment provider Opayo had some technical issues this morning, but these are now resolved. If you tried to make a booking earlier today but were not able to complete checkout, then please have another try now.

I hope to see you on an event soon!

Rodley Nature Reserve

Yesterday we visited Rodley Nature Reserve and saw a wide variety of creatures from tadpoles to swans, but mostly there were a huge number of colourful dragonflies! Above is the only decent photograph I took before the camera battery died. I must remember to charge it up next time!

Weekend and holiday update

The ongoing restrictions mean that our Midsummer Weekend has become an [Autumnal Weekend in the Pennines](#). The new dates are 24-26 September. If you were already on the waitlist you will stay on the waitlist for the new date, but if you have missed out then it is worth adding your name to the list now, as it is possible that some members that booked early will cancel due to the change. We have already been able to offer some people from the waitlist a place.

The [Anglesey Mid-Week Hostel & Camping Break](#) is set to go ahead, but we are having to restrict the number of people that can stay in the hostel. There is still availability to camp on this four-night break though!

We will soon be announcing a programme of events across the [National Weekend in Loughborough](#). Please keep an eye on the event list to see all that is on offer. If you haven't yet booked the weekend, we still have some places available.

We have another new holiday for you this week! [Cantabria All Inclusive](#) is a seven-night bargain break in this less-visited part of Spain, in Spice's very own hotel! We have three dates available in 2022.

Nearly half of the places on [Ski Les Arcs with Spice Yorkshire](#) are now taken. As I write this, we have just one sole-occupancy room left, along with a number of twin shares. Our hotel is well placed right by the main lifts at Les Arcs 1800 offering easy access to the massive Paradiski area, one of the largest ski areas in the world, with a combined total of over 425km of pistes.
