

We made it!

Hi

After setting off in ~~light drizzle~~ torrential rain on our walk last Saturday, it didn't last too long, and we soon started to dry out! The photo shows us celebrating reaching the top of Wharnccliffe Crag, shortly before I lost the entire group. 😊 It all turned out OK though as we all made it back to the safety of the pub in Deepcar. There are more [photos on our Facebook page](#).

Just as it looked like things may be beginning to return to normal, something extraordinary has happened and England have reached the final of Euro 2020! It seems that football might actually be coming home (whatever that means). Why not join us to watch this historic event in [Leeds](#) or [Sheffield](#) this Sunday?

It was great to be back in the theatre on Tuesday for the high energy performance of Priscilla, Queen of the Desert. We now have some great stall tickets for [The Good Old Days](#) at Leeds City Varieties, which is always fun.

We've got some late availability on a couple of other events this week too. There's one place available on tonight's [Ten Pin Bowling in Leeds](#), or we have a visit to [Dorothy Pax in Sheffield on Saturday with live music!](#)

I hope to see you on an event soon!

Weekend and holiday update

We have planned a programme of events across the [National Weekend in Loughborough](#). Whether you like walking, dancing, wine tasting, quizzing, sports, or treasure hunting, we think we have options for everyone. [Click here to see the National Weekend options](#). If you haven't yet booked the weekend, we still have some places available, but **we have to hand back most unsold places tomorrow**, so [book now!](#)

We have a new walking holiday for those that like to stretch their legs a little offering the opportunity to [Walk the South Downs Way](#) in a week.

Congratulations to Spice Yorkshire member Susan, who did very well and finished fourth in the golfing last weekend. Due to popular demand, next year's golf break will be in England and is filling very quickly, so please [see here for the details of the Newcastle Golf Break](#).

Our upcoming [Walking Weekend Shropshire Hills the Longmynd](#) has been fully booked for a while, but due to a couple of cancellations, we now have a twin or double share room available.

Half of the places on [Ski Les Arcs with Spice Yorkshire](#) are now taken. We have just one sole-occupancy room left, along with a number of twin shares. Our hotel is well placed right by the main lifts at Les Arcs 1800 offering easy access to the massive Paradiski area, one of the largest ski areas in the world, with a combined total of over 425km of pistes.
