

Enjoying the summer sun

Hi

The photo above shows us out enjoying the sunshine above Denby Dale last Saturday, with the Emley Moor TV masts behind us. It was a hot day, and we all appreciated a cold drink in the pub at the end! It was great to see former Spice Yorkshire member Helen, who now lives in Scotland, but was here for the weekend and joined us on a couple of events. It's worth remembering that as a Spice member, the entire programme of events across the country from Scotland to the Isle of Wight is available to you!

If you want to make the most of the sun, it looks like it will still be shining on us this evening for our [walk at Rother Valley](#), and hopefully the temperatures should have dropped a little by then. Of course, we'll still visit the pub at the end - we're sociable like that.

The [Cupcakes and Massage](#) event on Sunday includes a social lunch and is our first event with host Nikkie French. If this goes well, Nikkie will have some other events for us in the coming months. We do need to confirm numbers early this evening though so that Nikkie can prepare, so if you want to join her, then please [book right now!](#)

I look forward to seeing many of you this evening, and many more over the weekend!
Jonathan

Shuffleboard

Last night we were at Roxy Ball Room in Leeds for a few games of Shuffleboard and pizza. Well done to the A-team of Clare and new-member Roger who won the prize! Roxy Ball Room have other fun games so we will look to arrange another visit soon. Also look out for Shuffleboard in Sheffield which we hope to arrange for next month.

Weekend and holiday update

Jill has been busy shopping today, and we are almost ready for our Masham Beer and BBQ Weekend tomorrow. It will be the first Spice Yorkshire weekend break to go ahead for 18 months. Sadly, we can't enjoy the Theakston brewery tour this year, but we have found a

way to make the weekend work. We don't have any more space for late bookings but if you wish to join the group for the [Saturday walk with Martin to the Druid's Temple](#), we can fit you in for that!

Our [Kettlewell weekend in August](#) had been fully booked but due to a couple of cancellations we do now have availability for our break in this beautiful Yorkshire Dales village, but go fast! We also still have a few places available on the [Yorkshire Outdoor Adventure Weekend](#), which is packed with activities, and on our [Winter Warmer Bonfire Weekend](#) in the Yorkshire Dales.

The [Walking Weekend White Peaks Derbyshire](#) starting tomorrow was a very late addition to our programme to replace another walking weekend that couldn't go ahead, but if you are available at short notice, there is still chance to get away this weekend!

[Ski Les Arcs with Spice Yorkshire](#) is now over half full. It would be great to see as many of our Yorkshire skiers on this trip! Our hotel is well placed right by the main lifts at Les Arcs 1800 offering easy access to the massive Paradiski area, one of the largest ski areas in the world, with a combined total of over 425km of pistes.
