Mountains and dales

Hi

We had another fabulous weekend break last week, this time at The Kettlewell Hostel in Wharfedale, which we had booked exclusively for Spice. The photo above shows us at the summit of Great Whernside, which we walked to from the hostel. It was a challenging walk, but everyone that took it on made it there and back! We also had a scavenger hunt with teams exploring the village looking for answers to questions, which resulted in a tie-break on Saturday evening, won by team S & S! Also, we had our own mini-scarecrow competition won by Roger (see his creation on our [photo page](#))! On Sunday we took another walk along the dale to the pretty village of Starbotton, returning close to the river. In between the walking and exploring we filled our time by relaxing in the garden, visiting the village pubs, singing, and playing board games. Thanks to everyone that went along and helped to make it such a fun weekend.

We've had lots of lovely feedback from the weekend and several people booked the next one while they were still there. See the Weekend and holiday update section below for more details of our upcoming breaks, including the [Yorkshire Outdoor Adventure Weekend](#) just a couple of weeks away, and a new walking option for the upcoming bank holiday weekend.

You can see [photos on our Facebook page](#) from the weekend, and some of our other recent events, including our visit to the outdoor theatre last Thursday and the walk and lunch at Gringos with Karen on Saturday. Please like the page to keep getting updates on what we

are planning!

With so many weekend breaks, it's been a while since we have had an online Friday party night, but TSI Friday is back tomorrow as Jackie hosts an online [Beach Party](#)! Join us in your beachwear for a fun quiz and summer tunes!

I look forward to seeing many of you on the virtual beach on Friday, or in Sheffield or Leeds on Saturday!

Jonathan

Walking and crawling this weekend

Why not come out with us on Saturday?

This Saturday afternoon we are going out for a [short walk from High Bradfield up onto Onesmoor](#) before enjoying your choice of lunch from an extensive selection at The Old Horns. It's a great social afternoon out.

Then in the evening we are in Leeds for our [TV Themed Bar Crawl](#). We'll be visiting four city centre pubs, and, in small teams, the challenge is to take some photos representing television shows as we walk between them!

Weekend and holiday update

Since we got back from Kettlewell, the bookings have been coming in fast for the upcoming Spice Yorkshire weekends! We now have just three places available on the [Yorkshire Outdoor Adventure Weekend](#), which is packed with activities like raft building, archery, zipwire, mystery trail, scrapheap challenge, climbing, aeroball and nightline (a blindfolded maze challenge)! This weekend has had to be rescheduled more than most during the pandemic, and is now on its fifth date, but it finally looks set to go ahead this time on 3rd to 5th September, so why not take another look?

Unfortunately, the Malham weekend is unable to go ahead due to staffing shortages at the hotel, but we have replaced it with [Bank Holiday Walking Weekend Hadrian's Wall and Gilsland Spa](#). This will probably be the last time we are able to use this particular hotel, and we must hand back any unsold rooms by tomorrow, so take a look right now if you are interested in getting away for the three-day weekend.

Alternatively, why not join Lauren for the [Three-night break at Dovedale House](#)? There are dormitory and camping options on this one.

Looking just a little further ahead, the [Autumnal Weekend in the Pennines](#) is fully booked, but the waitlist is currently short, so it is worth putting your name on it. Then we have our [Winter Warmer Bonfire Weekend](#) at Stainforth near Settle at the beginning of November. We do still have places available on this one but have taken seven bookings already this week, so don't leave it too much longer to secure your place!

Also new this week is the [Norfolk Coast, Sandringham and Hunstanton Luxury Walking and Social Weekend](#) next month featuring both coastal walking and inland walking on the Sandringham estate.

[Ski Les Arcs with Spice Yorkshire](#) is over half full. It would be great to see as many of our Yorkshire skiers on this trip! Our hotel is well placed right by the main lifts at Les Arcs 1800 offering easy access to the massive Paradiski area, one of the largest ski areas in the world, with a combined total of over 425km of pistes.
