Taking to the skies

What a fun-packed weekend we had! We started on Friday night with the online beach party, featuring Jackie's summer music & ice-cream quiz, and lots of summery and holiday-themed tunes!

Then on Saturday we dodged the showers on a lovely walk on Onesmoor above High Bradfield, followed by a tasty and filling lunch at The Old Horns. In the evening we were out in Leeds for the TV themed bar crawl, taking photos to represent TV shows as we made our way from pub to pub. There were some very imaginative photos taken! Well done to Martin and Roger who were the overall winners.

On Sunday I was lucky enough to take to the skies on top of the Boeing-Stearman bi-plane above, which was just so much fun! Wing-walking is like the biggest and best rollercoaster you could imagine. A couple of people have asked me when it is available and we do have a [new Wing-walking date on 17 October](#), which will probably be the last chance this year.

As the evenings draw in, we also had our last outdoor tennis session and our last evening walk of the summer during the last week. There's plenty that we can do inside though, such as the fun shuffleboarding in Sheffield last night, and we are steadily building up the event programme, with [over a dozen new Yorkshire events](#) added to the website since last week's bulletin.

We've also been able to rearrange some of the events that were previously suspended due to the pandemic, such as the [Walk and Sunday Lunch: Whirlow Hall and Ecclesall Woods](#),

[Roxy Golf and Pizza at Roxy Ball Room Leeds](#), and [Sunday Lunch at the Fox and Hounds Newmillerdam](#) and optional walk.

You can see [photos on our Facebook page](#) from many of our recent events. Please like the page to keep getting updates on what we are planning!

The summer isn't yet over though, and with the dry, warm, and sometimes sunny weather forecast to continue across the bank holiday weekend, we have a great selection of things to do. We start the weekend on Friday with curry club in both [Leeds](#) and [Sheffield](#). On Saturday we have a [fun day out in Harrogate as we take on the role of a team of detectives](#) to solve a murder. On Sunday is the [Huddersfield Bank Holiday Drinks and Meal](#) with Karen, and on Holiday Monday we have our first [abseil with Lewis at Brimham](#), or join us at the [Yorkshire Balloon Fiesta](#) on York's Knavesmire. As I write this, we still have a few places available on all of these, except the abseil.

Whatever you are doing, I hope you have a fabulous long weekend.

Yorkshire Outdoor Adventure Weekend

It's just over a week until our Yorkshire Outdoor Adventure Weekend! There are a huge number of activities included across the weekend, including raft building, archery, zip wire, a murder mystery trail, nightline (a blindfolded maze to solve as a team), wall climbing, and aeroball, which is a combination of trampolining and basketball!

It all takes place at the Kingswood centre in South Yorkshire's Dearne Valley near Doncaster. We do still have a couple of places available if you wish to join us. It's just £144 for this fully catered two-night break with all these activities and more included in the price.

Weekend and holiday update

We have members making the most of the three-night weekend on breaks across the country from Edinburgh down to the Isle of Wight. Almost all of these are now fully booked, but if you do want a last-minute break, there is still the possibility of making a late booking on the [Bank Holiday Walking Weekend Hadrian's Wall and Gilsland Spa](#).

Looking just a little further ahead, the [Autumnal Weekend in the Pennines](#) is fully booked, but the waitlist is currently short, so it is worth putting your name on it. Then we have our [Winter Warmer Bonfire Weekend](#) at Stainforth near Settle at the beginning of November. We have taken many bookings on this one since we returned from Kettlewell, but we do still have places available.

[Ski Les Arcs with Spice Yorkshire](#) is over half full, but due to a cancellation we once again have just one place available in a sole-occupancy room, so don't delay your booking if you would like that one! It would be great to see as many of possible of our Yorkshire skiers on this trip. Our hotel is well placed right by the main lifts at Les Arcs 1800 offering easy access to the massive Paradiski area, one of the largest ski areas in the world, with a combined total of over 425km of pistes.
