## Our Yorkshire Adventure

Hi

Archery, Raft Building, Paddling, Swimming, Balloon bursting, Ziplining, Wall climbing, Singing, Dancing, Marshmallow toasting, Trampoline bouncing, Laser shooting. These are just some of the fun things we got up to last weekend on the Yorkshire Outdoor Adventure at Dearne Valley. We've already had some great feedback from this weekend with many people wanting to go back for more, so we are already looking to arrange another visit next year.

There are many more [photos on our Facebook page](#) from this and many other recent events. Please like the page to keep getting updates on what we are planning!

Last night was our elevator quiz night with categories ranging from music to elephants, and across Sheffield and Leeds we had a total of 16 winners. Well done to Jane, Linda, Sue, Ian, Paul, Brenda, Chris, Julie, Roger, Phil, Geoff, Lesley, Liz, Ian, Steve, and Tony! It turns out that's only one fewer winners than The Beatles had number one singles. Next month the quiz goes international with the Around the World Quiz, and we have just added the Lottery Quiz in November too. You can [see all our upcoming quizzes here](#).

It's just a month now until our [40th Anniversary Ball](#) in Manchester and those of you that are booked on will have received an emailed list yesterday of optional events across the weekend. With over 350 members booked on the ball, many of those options are filling up very fast, so if you haven't already made your bookings for the ones you wish to do, I would urge you to do so right now!

If you haven't yet booked the ball, we now have [new ticket availability](#) (please check with us for accommodation as rooms are very limited) for those that still want to come along. A wonderful

evening is planned to celebrate this milestone in the Spice journey. We'll have great food, live entertainment and a whole host of other things going on. An evening not to be missed!

The other big party news this week is that our Christmas Party is now available to book! See below ...

We've already got well over 50 bookings for Spice Yorkshire events that are happening this weekend too, so [take a look at what is going on](#), and join us!

Whatever you are doing, I hope to see you out and about soon.

## Spice Yorkshire Christmas Party

Our long-awaited Christmas Party is now available to book! We'll be returning to the Met Hotel in Leeds where we had a fabulous night three years ago. Our evening includes a welcome drink, three course festive dinner, half a bottle of wine and a DJ to keep us dancing until late.

We also have discounted rooms available for those that wish to stay over, and these include your hotel breakfast on Sunday morning.

## Weekend and holiday update

We have a couple of new walking weekends with Walkwise coming up on the first weekend in December, and they are filling up very quickly...

[Walking Weekend Lulworth Cove and Dorset](#) is a long way to go for a weekend but it's in a stunning location in the HF Country House, just 200yds from the sea, overlooking Lulworth Cove. From there we can explore the stunning Dorset countryside and coastline.

A little nearer to Yorkshire, and in another beautiful location is the [Walking Weekend Bourton on the Water, Cotswolds](#). Bourton-on-the-Water is one of "the" must-visit picture perfect villages of the Cotswolds and we have managed to secure the idyllic country house hotel of Harrington House. From here we can explore the village once the tourists have gone home and see it at its very finest, browsing the shop windows, admiring the country cottages, or just relaxing with a cool drink in one of the welcoming country pubs as the trickling streams meander past. This is also an idyllic base from which to enjoy the Cotswolds.

[Ski Les Arcs with Spice Yorkshire](#) is over half full, but due to a cancellation we once again have just one place available in a sole-occupancy room, so don't delay your booking if you would like that one! It would be great to see as many of possible of our Yorkshire skiers on this trip. Our hotel is well placed right by the main lifts at Les Arcs 1800 offering easy access to the massive Paradiski area, one of the largest ski areas in the world, with a combined total of over 425km of pistes.
