## Dining Around the World

Hi

The photo above shows us on the Spice Dines Chinese night in Huddersfield last week. We've many [more chances to dine out](#) coming up all across our region, sometimes as standalone events, and sometimes with other fun activities such as live music, walks, or even mini-golf alongside!

There are more [photos on our Facebook page](#) from this and many other recent events. Please like the page to keep getting updates on what we are planning!

There have been a couple of changes to upcoming events this week. Next month's [Saturday Social in Leeds](#) has been moved to a new venue at The White Swan. Meanwhile, we have a new date for our [Curry Club visit to York's Mumbai Lounge](#), which will now be on 12 November.

If you're looking to get out this weekend, we still have one place on the Autumnal Weekend in the Pennines available (see below), or if you can't make the entire weekend, why not join [Martin's walks](#)? We're also [Going on a Bear Hunt](#) in Sheffield on Saturday and [walking a short section of the Leeds Liverpool Canal before Lunch](#) on Sunday.

It's just a fortnight now until our [40th Anniversary Ball](#) in Manchester. There are over 350

members from across the country attending and there are lots of optional activities available too if you wish to make a weekend of it. We still have about 20 places available for the big party itself, and if you're really quick, there are a couple of options to stay over too due to cancellations.

I wish all of you going to Mankinholes on the Pennines weekend, or joining either of the walking weekends, a fabulous break.

Whatever you are up to, I hope to see you out and about soon.  
Jonathan

# PARTY

## The Christmas Party is filling fast

It's two weeks since we announced our Christmas Party in Leeds and over half of the places have already been taken. We still have a good amount of availability, but don't leave it too long ...

## Weekend and holiday update

We have a couple of last-minute chances to get away this weekend! We have one place available on the [Autumnal Weekend in the Pennines](#) in Mankinholes (sorry gents, this one is only available to the ladies). Also now available is either a single room, or sole occupancy of a double room on the [Walking Weekend: Derwent Bank and the North West Lakes](#). If you want to make the most of the weekend, book now!

Following the [changes to travel rules](#) announced by the UK government last week, which take effect on 4 October, it will be much easier (and cheaper) to travel abroad to most countries. We have started to see more bookings come in for our holidays following the announcement. We have had to postpone or cancel many holidays since the beginning of the pandemic, but they now look much more likely to be able to go ahead and many may fill up quickly, so click the button below to see what is happening!

[Ski Les Arcs with Spice Yorkshire](#) is filling up! It would be great to see as many of possible of our Yorkshire skiers on this trip. Our hotel is well placed right by the main lifts at Les Arcs 1800 offering easy access to the massive Paradiski area, one of the largest ski areas in the world, with a combined total of over 425km of pistes.
