Happy 40th Spice!

Hi

Our long-awaited Anniversary Weekend is almost here and we're looking forward to seeing a great many of you on Saturday in Manchester for our 40th Anniversary Ball. It's sure to be a fabulous evening. If you've not booked, then due to a couple of cancellations this week, we may just be able to get you on - give us a call!

What fun we had on Sunday messing about on the water on the Leeds Liverpool Canal. We set out early from Skipton and spent the morning exploring the Leeds side of the canal, before returning to the town centre for Sunday lunch and waffles. In the afternoon, we headed the other way towards Liverpool for a while, before turning round to reluctantly return our narrowboat, Ben, at the end of the day. Thanks to Gill for the photo above showing us waiting in the sunshine with Ben, while we sent the ladies in the background to do the heavy work of opening the swing bridge for us!

Our October album in the [photo section of our Facebook page](#) has lots more photos from Sunday, and I'm sure it will fill up with more photos across the weekend!

If you're not joining us in Manchester, we also have just one place left on [Marsden Jazz Festival and Meal](#) with Karen on Saturday.

Don't miss our special offer below ...

See you soon!

Weekend and holiday update

The photo above was taken on our recent Pennine Weekend!

For our National Weekend 2022, we return to Loughborough. The weekend is fully catered, includes two party nights (one with a sea theme), sports, walks, quizzing and more. It's a great opportunity to get together with Spice friends across the country. See the details above of our special £15 discount on bookings made before Monday 11 October.

We now have just a last few places left on our [Winter Warmer Bonfire Weekend](#) and one place on our [Scarborough Jubilee Bank Holiday Weekend](#). Don't snooze and lose!

[Ski Les Arcs with Spice Yorkshire](#) is filling up! It would be great to see as many of possible of our Yorkshire skiers on this trip. Our hotel is well placed right by the main lifts at Les Arcs 1800 offering easy access to the massive Paradiski area, one of the largest ski areas in the world, with a combined total of over 425km of pistes.
