## Our app has had an upgrade!

Hi

Many of you are now using the Spice Social App to explore and book events, and to communicate with other members before, during, and after our events on the Forum. The app has recently had an upgrade and you should now see an option to add upcoming events to a Wishlist so you can keep track of those you like if you're not quite ready to book them yet. Be careful though - putting them on your Wishlist won't stop them selling out before you confirm your place! We've also made it easier to navigate and you can book events directly in the app with fewer clicks.

If you haven't yet tried the app, now's the time! You can [Get it on Google Play](#) or [Download on the App Store](#).

The photo above shows us enjoying an al-fresco drink at Leeds Light Night last week. Our October album in the [photo section of our Facebook page](#) has more photos from Light Night and other events this week, and we'll keep updating it as we continue through the month.

There's lots to do this week, but you'll need to act fast if you haven't already booked. Tomorrow night is [Spice Curry Club in Sheffield at Kebabish Original](#), and we have just one place left. We also need to confirm final numbers first thing tomorrow (Friday) for our [Visit to Thackray Medical Museum](#) in Leeds. On Sunday we are in York for the [Sunday Walk and](#)

[Lunch: Fulford and Heslington](#). Next week is our [Duck Pin Bowling Night in Leeds](#), a challenging but fun way of bowling - please book now so we can finalise the format of the game. Also, it's now your last chance to book next week's party in Sheffield, [Halloween in the Guardhouse!](#)

Talking of parties, we've just added another party at [The Garrison for Christmas](#), and we have arranged a few more places at our exclusive [Spice Christmas Party in Leeds](#), which had filled up, but don't snooze ...

See you soon!  
Jonathan

## Online events

With so many more events now happening in the real world, it's easy to forget that the online events that we started during lockdown still continue. Although they are now fewer in number as we are all out and about more, many members still enjoy getting together with others across the country online.

Here are the online events for the coming week...

- Tonight (21 October): [Gentleman Jack: The life and Legacy of Anne Lister](#)  
Learn about the true story of Anne Lister as the University of York marks the opening of its newest college with this talk featuring Sally Wainwright, the writer of the TV series Gentleman Jack.
- Tomorrow (Friday 22 October): [TSI Friday - Girl Power Special!](#). Join Jackie in the Zoom Room for quizzing and music from the girls!
- Tuesday 26 October: [The Name Game Challenge](#). A new fun online game with Pam.
- Wednesday 27 October: [11am Coffee with Spice](#). Pour yourself a hot drink and join us at 11am for a chat!

- Thursday 28 October: [Third Thursday Online Book Club](#): The Tenant of Wildfell Hall by Anne Brontë (and yes, I know next Thursday is the fourth Thursday of the month)!

Talking of date changes, the 11am Coffee next week, will be the last Wednesday one as we will switch to Monday mornings from November.

## Weekend and holiday update

It's just two weeks until our [Winter Warmer Bonfire Weekend](#) which includes a two-night stay, all meals, two guided walks with Roger, a bonfire and lots of fun, all for just £72! We have just three places left. Don't snooze and lose!

As December approaches, we now have five new breaks for you to choose from across Christmas and the New Year!

- [Spice National Christmas Break 2021 - Leeds](#). Join Karen to celebrate the festivities with this three-night break starting on Christmas Eve.
- [Walking Break - Twixtmas in the Lakes](#). The first of four options with Walkwise to give you something to look forward to after Christmas.
- [Walking Break - Twixtmas and the Southern Peak District](#). A two-night break to fill the gap between Christmas and New Year.
- [Walking Break: New Year in the Lakes](#). See in 2022 in Borrowdale including a Gala Dinner and House Party.

- [Walking Break New Year Buxton in the Heart of the Peak District](#). Choose a three-, four-, or five-night stay!

All the five breaks above are now categorised on the website and in the Spice Social App as Run By Spice National, which we hope will help these national events be more visible to all members. All Walkwise events from Christmas onwards will appear there (existing ones up to Christmas still show as Run By Spice Manchester). All holidays abroad are now listed as Run By Spice Escapes, and will also appear on our brand-new website, [spice-escapes.co.uk](http://spice-escapes.co.uk), Group holidays & adventures around the world.

[Ski Les Arcs with Spice Yorkshire](#) is filling up! It would be great to see as many of possible of our Yorkshire skiers on this trip. Our hotel is well placed right by the main lifts at Les Arcs 1800 offering easy access to the massive Paradiski area, one of the largest ski areas in the world, with a combined total of over 425km of pistes.
