A Weekend in York

Hi

Dozens of Spice members from across the country descended on York last weekend to visit the Christmas Markets. It looks like a wonderful time was had by all. We're busy planning more weekend breaks for next year, so please take a look at the Weekend and holiday update section below for information on the ones added this week, and keep a regular eye on the waitlist for more, as they do fill up very quickly.

There are more photos in our November album in the [photo section of our Facebook page](#).

Our Christmas event programme is nearly complete now, so take a look at the [Spice website](#) to see what's going on, from festive walks, to meals, quizzes, panto, parties, and weekend breaks. As always, there's lots to do!

Finally, many thanks to those of you that booked your Spice events last Friday. We have donated £31.05 to BBC Children in Need on your behalf.

I look forward to seeing you on an event soon,
Jonathan

Ski season is coming

It seems amazing that we are now only a month away from Christmas Day, and looking beyond that we are soon into the Spice ski and snowboard season! We have a wide selection of winter sport holidays for you, and many are full or nearly full, so if you haven't booked yet, please don't leave it too much longer. I'll be hosting the [Arabba holiday in January](#) and also the [Les Arcs trip in March](#), and it would be great to see a few more Spice Yorkshire members joining either of those, but if you don't fancy those two, there are plenty others to choose from. Click the button below for the full list.

Weekend and holiday update

We have lots of new weekend breaks for you this time!

Our [Helmsley Hostel Weekend](#) will be our first hostel weekend of 2022. It was listed on the website only last Friday but over a third of the places have already been taken, so don't wait too long to book. Helmsley's a beautiful market town and the hostel is a lovely building with great facilities, and Karen is hosting this one, so you know you'll be looked after. Roger is leading guided walks on the Saturday to the ruins of Rievaulx Abbey, and on Sunday to the famous white horse at Sutton Bank.

Next spring, Steve will host the [Plymouth Social Weekend](#) at the city's historic, vibrant nautical waterfront.

Also new this week is the [Chester Social Weekend at The Bunkroom](#) next summer, in a small independent hostel just minutes from the city centre. There's a £10 early booking discount on this one for any bookings made before 31 December, although I expect it to be fully booked well before then in any case, as more than half the places have been taken already.

We also have two new Scottish sailing weekends for 2022, the Inner Hebrides Sailing Weekends - Mull and More. Choose between [May](#) and [August](#).

Remember, that we also now have a date for our 2022 camping trip to Masham, and it is a little later in the year this time, so please save the dates of 19-21 August. Full details will be online in the next day or two.
