HOLIDAYS

NEWS

We like to party!

Hi

Last year's Christmas parties may be all over the news, but we're more focused on the here and now! Our first party of the season was at The Garrison in Sheffield last Saturday and we had a fun time dancing the night away. Our Huddersfield Christmas meal is tomorrow night at the ever-popular Apadana, and we are sure those of you that are going will have another great evening.

It's just over a week until our big [Spice Exclusive Christmas Party in Leeds](#) and with over seventy of you having already booked, it's certain to be a wonderful evening. We visited the hotel yesterday to finalise some details and the hotel have agreed to move us to the larger function room, the Met Suite! This suite is double the size of the original room so we'll have room for even more people, and plenty of space to spread out and dance the night away again. We will also get sharing pizza boards later in the evening for if you start to feel a bit peckish as it gets close to midnight! So, if you haven't yet booked, please do join us, but note that we will need to confirm numbers early next week so don't leave it to the last minute!

Several of you have asked if we will do the Santa Shuffle this year. We aren't doing dinner shuffles at the moment as we don't want to risk sharing dinner places, cutlery, etc. We are doing our Santa meals though in the week before Christmas with [Santa's Meal at The Palace](#)

[Leeds](#), and [Santa's Meal at Robin Hood Sheffield](#). Do book these now if you want to join us as we are being chased for final numbers by the restaurants.

Finally, well done to the winners of our Christmas Quiz last night. In Sheffield, Sue, Julie, and Dave won chocolate, while Margaret, Jane, and Chris won a free place on the next quiz. Meanwhile, in Leeds, Emily, Roger, Richard, Sylvia, and Andrew won the chocolate, and Fran, Tony, Geoff, and Liz won the free quiz place. If you were one of the winners, I have booked you on the [Review of 2021 Quiz](#) in January. Well done to all!

I look forward to seeing many of you in Beverley tomorrow, or on another event very soon.
Jonathan

New Year's Eve!

Don't wait until after Christmas has passed to think about New Year's Eve. We have to confirm our booking in the next couple of days for the fabulous Soul and Motown Night at Village Leeds South, so book now to see in 2022 with us!

Our night includes a three-course dinner and glass of fizz, live entertainment, plus a DJ and Disco to keep us up and dancing into the new year.

It's easy to get to, being near junction 28 of the M62, has free car parking, and the hotel currently has rooms available too if you wanted to stay over.

Weekend and holiday update

As promised last week, our [Grassington 1940s Weekend](#) is now on the website and available to book! We visit the fabulous dales village to coincide with the 1940s festival. It's a relatively small bunk barn and we have already sold one third of the places, so secure yours now!

I said last week that our Walkwise weekends fill fast. Well, the [Wobbly Walking in the Lakes](#) weekend has only been available to book for a week, and we have just three places left. The weekend is a combination of walking and wine tasting, so no wonder it is popular!

There's also another new walking week just gone on sale this morning, the [Scottish Walking Week in Glen Coe](#). We've sold six places already today!

There are two more new hostel weekends now available. The [Hostel, Walking & Social Weekend, Timberlodge, Ingleton](#) is a three-night break over the August Bank Holiday weekend. In October we revisit the [Sherwood Forest Hostel](#).

We're looking forward to tomorrow, and our visit to Beverley Friary for the Christmas Festival. We should have details of next year's visit in next week's bulletin.

[Ski Les Arcs with Spice Yorkshire](#) is filling up! It would be great to see as many of possible of our Yorkshire skiers on this trip. Our hotel is well placed right by the main lifts at Les Arcs 1800 offering easy access to the massive Paradiski area, one of the largest ski areas in the world, with a combined total of over 425km of pistes.
