Our Beverley Weekend

Hi

What a fantastic time we had in Beverley last weekend. The photo above shows us on North Bar Within at the end of our history walk with Paul Schofield. On the Sunday several of us took a walk out of the town around The Westwood, but not before we had explored the markets at the Festival of Christmas. As well as spending time in the beautiful Beverley Friary hostel, we visited several of the town's pubs, and many of you visited Beverley Minster to see their Christmas trees (thanks to all who voted for the Spice tree) or take part in the carol concert. We also had a good singsong in the hostel - thanks to Matthew and Peter for providing the entertainment! We've already booked for next year, and the event has appeared on the Spice website and app today - see below for details.

Also during the last week, was the Huddersfield Christmas Meal at Apadana, which looks like it was another great evening. Thanks to Karen for hosting. There are photos of that and other events in the December album at the [photos section of our Facebook page](#).

We're really looking forward to seeing everyone at our [Spice Exclusive Christmas Party in Leeds](#) on Saturday. It's sure to be a fun evening with dinner and dancing until 1am.

We have a few places on our Santa meals next week too. Please bring along a wrapped food or drink based gift for our Secret Santa. There's [Santa's Meal at The Palace Leeds](#) on

Wednesday, and [Santa's Meal at Robin Hood Sheffield](#) on Thursday.

I look forward to seeing many of you on Saturday, or if not very soon.
Jonathan

New Year's Eve!

Don't wait until after Christmas has passed to think about New Year's Eve. We must confirm our booking for the fabulous Soul and Motown Night at Village Leeds South, so book now to see in 2022 with us!

Our night includes a three-course dinner and glass of fizz, live entertainment, plus a DJ and Disco to keep us up and dancing into the new year.

It's easy to get to, being near junction 28 of the M62, has free car parking, and the hotel currently has rooms available too if you wanted to stay over.

Weekend and holiday update

Our Beverley Weekend was such great fun and over half of us took up the option to stay for a third night. We've booked it already for next year, again with the option for either a two- or three-night stay. It's gone on the website and app today, but is already over half full, so if you want to join us next December, then you should [get your booking in now!](#)

The [Grassington 1940s Weekend](#) is also now over half full, so again, don't leave it too long to book our visit to the fabulous dales village to coincide with the 1940s festival.

But before either of those, our first hostel weekend of 2022, will be the [Helmsley Weekend](#) in February. We've only got seven places still available as a type this, so you really need to get in quick if you want to be a part of it.

We continue to add more walking breaks to the programme and there are [seven more new breaks with Walkwise](#) to choose from since I wrote to you last week.

[Ski Les Arcs with Spice Yorkshire](#) continues to take more bookings. The news today that France is closing to UK tourists is disappointing, but as our trip isn't until March, we are confident that things will have changed for the better by then! It would be great to see as many of possible of our Yorkshire skiers on this trip. Our hotel is well placed right by the main lifts at Les Arcs 1800 offering easy access to the massive Paradiski area, one of the largest ski areas in the world, with a combined total of over 425km of pistes.
