Merry Christmas!

What a wonderful time we had on Saturday night at our Christmas party. Thank you to everyone that came along and made it a night to remember.

We've also enjoyed Christmas meals in Huddersfield and Leeds, and this evening is Sheffield's turn. Don't forget to bring your wrapped Secret Santa gift if you are joining us tonight.

Christmas is nearly here, but the fun doesn't stop at Spice, and we still have late availability on a few options in the next week or so! Tomorrow is the start of the [Spice National Christmas Break in Leeds](#), and Karen is kindly hosting this year's break. On Sunday, the group are doing a treasure hunt around Leeds, and if you want to join in, you can book it at [Boxing Day Treasure Hunt in Leeds](#).

We have four walking breaks with Walkwise at Twixtmas and New Year. Most are fully booked, but there is one male place available on [Walking Break New Year Buxton in the Heart of the Peak District](#) so go fast if you want that one!

We still have places on our post-Christmas curry nights at [Mowgli in Leeds on Monday](#), and at [Maveli in Sheffield on Tuesday](#), so if you're fed up with turkey or just keen to get out and see people, why not join us at one or both of them?

Next Thursday the office is closed (see all the festive hours below) as we are going to be out in the fresh winter air on the [Afternoon Walk: High Green to Tankersley near Sheffield](#).

If you have been considering joining the [New Year's Eve Soul and Motown Party](#), then please book right now as we need to confirm numbers first thing tomorrow!

Also, if you wish to join our [Late afternoon meal at White Swan in Leeds](#) on 2 January, then please book now so that we can confirm the order. It's timed so you can join us to eat before the panto next door, but you can just book the meal if you don't fancy seeing [Beauty and the Beast](#).

Finally, two days before Christmas is definitely the right time to be thinking about Easter, and today we announce that for our [Easter City Break in 2022](#) we will be returning to the historic city of Durham, with lots to do, including our Spice-exclusive Saturday night party river cruise!

Whatever you are doing, have a lovely Christmas.
Jonathan

Weekend and holiday update

We now have details of our [Easter Social City Break in Durham](#). It will be four years since our last Durham Weekend, so we are really excited about returning. Our weekend includes three nights at the Premier Inn in a great city centre location on Walkergate. The highlight will be our Saturday evening exclusive river cruise on the River Wear on the Prince Bishop, with a BBQ on board, followed by dancing with our on-board DJ. Other activities included in the weekend are a cathedral tour, treasure hunt, and a guided riverside walk. Cooked breakfasts are included at the hotel. Your evening meals are also included, dining at the hotel on the first night, on board our cruise on the second night, and at a nearby restaurant on the third night. We hope you can join us. Please book now to get the best rate.

It's been a long time since any of our international holidays have been able to go ahead, but they have now restarted with Lauren leading the Christmas in Sri Lanka trip which departed on Tuesday. There are several Spice Yorkshire members on the trip, and I've already seen some great photos from Sri Lanka! You can see details of all upcoming international holidays on our [Spice Escapes Website](#).

In last week's bulletin we announced our [Beverley Weekend](#) for 2022, and within two days it had sold out, and we already have five people on the waitlist. If you missed out, the sooner you put your name on the waitlist, the better chance you have of getting a place.

Also nearly full, is our first hostel weekend of 2022, the [Helmsley, North Yorkshire Hostel Weekend](#). As I write this, there are still six places left, but they could go fast!

Our [Grassington 1940s Weekend](#) is also filling fast. We will visit the fabulous dales village to coincide with the 1940s festival.

[Ski Les Arcs with Spice Yorkshire](#) is filling up! It would be great to see as many of possible of our Yorkshire skiers on this trip. Our hotel is well placed right by the main lifts at Les Arcs 1800 offering easy access to the massive Paradiski area, one of the largest ski areas in the world, with a combined total of over 425km of pistes.
