Our Jubilee Weekend in Scarborough

What a fabulous jubilee weekend we had in Scarborough! We walked, we danced, we sang, we played mini golf, we explored the park and the castle and the two bays. We visited the cinema, we rode on the little train, we boated, and some explored further afield to Robin Hood's Bay and Whitby. And we ate so much delicious food. Thank you to everyone that was part of it, but particularly to Karen, Dianne, Cath, and Jill for making it all happen. The photo above shows some the group on Friday at the Freddie Gilmore statue. There are lots more [photos on Facebook](#) (thanks to Karen, Heather, and Helen for many of the photos).

If you want to continue the celebrations, why not join Jackie for [TSI Friday - Jubilee Special](#) tomorrow night with an online party.

There's been lots of other events happening too this week. Thanks to Lesley for hosting Saturday Social in Sheffield. On Monday we had a very close game of Ten Pin Pyramid Bowling in Leeds (well done Dave and Clare). We had badminton on Tuesday, then last night the group split in two to see two different films on the Huddersfield Cinema Night. Also last night was our Pub Quiz night. Well done to Dave and Julie who won the free quiz, and Sue, Linda, and Adrian who shared the cash prize in Sheffield. Meanwhile in Leeds, Julie, Tony, Chris, and Sylvia won both prizes! Sorry that the ongoing round was so hard - I'll try to make it easier next month.

There's lots more fun to come. This evening is [Book Club in Sheffield](#). On Saturday we visit the new [Golf Fang indoor golf centre in Sheffield](#), and are also in Halifax for a visit to the [Theatre for Curtain Up on Murder](#). On Sunday we have a [lunch at Lord Darcy](#) (please allow

plenty of travel time due to the Leeds Triathlon). Monday is the day for our next [evening walk](#). Tuesday is our regular [badminton](#) evening. We have three options for you on Wednesday evening, with another [visit to the cinema to see Jurassic World: Dominion](#), [Music Club in Sheffield](#) has a colourful theme this month, or join us in York for a [Turkish meal at Yakamoz](#) (don't forget your Spice Dines Passport).

I hope to see you soon,
Jonathan

Our Summer Party

We're really looking forward to our Summer Party next month, which takes place at the Clayton Hotel in Leeds. We have a 70s vs 80s theme this time, with the DJ ready to play our party hits from both decades.

The party starts with a welcome drink, with access to the outdoor terrace if the weather's great. We then sit down for a three-course dinner with wine, before hitting the dance floor!

Fancy dress is optional but is a lot of fun, and I know a lot of you are already planning your outfits. I can't even decide between 70s and 80s!

We still have a good number of places available but not very many rooms left for those that want to stay over, so please get your bookings in soon so you don't miss out on the fun. Please note that balance payments are due this weekend for those of you that have already booked.

Weekend and holiday update

The photo above shows some of the group currently enjoying the Andalusia Highlights with Carolyn. There are four Spice Yorkshire members amongst them!

A couple of weekends that have been fully booked now have limited availability due to cancellations...

The [Oban Social and Walking Break](#) is just over a week away and we have one female place now available. The itinerary includes walking on the Isle of Kerrera and Ganavan Sands, a day trip to Tobermory, a wildlife Boat Trip, Dunollie Castle and more. Go fast if you would like this one.

Then at the start of next month is our annual golfing weekend, and this time it is a Golf Break in Newcastle. Included are rounds on two different golf courses and the opportunity to compete for the Spice Masters Golf Trophy. All standards of players are welcome, and we now have one male place available.

While we cannot recommend specific insurance policies as everyone's requirements are personal to them, Spice have linked up with market leader [Staysure Travel Insurance](#), which you may like to take a look at.
