Indoor golf at Golf Fang

Hi

The photo shows the group at the new Golf Fang indoor golf centre in Sheffield on Saturday. It looks like an amazing setting. Thanks to Chris for hosting and for the photo. If you missed it, watch this space as we will arrange another visit later in the year.

We've had plenty of other events going on during the week too. On Friday evening our online TSI Friday party celebrated the jubilee. On Saturday afternoon, we were at the theatre in Halifax to see Curtain Up on Murder, and Karen took everyone out for a few drinks afterwards. On Sunday, Pat kindly hosted Sunday Lunch at Lord Darcy in Leeds. Tuesday was badminton night in Sheffield. Then last night, in Huddersfield, we went to see Jurassic Word: Dominion, while in York we dined Turkish at Yakamoz.

Two events that were full now have a place available. We have had a cancellation for the [Chester Social Weekend at The Bunkroom](#) starting tomorrow so there is a place available for any lady that would like to get away this weekend. Also, [Theatre: Flatspin in Sheffield](#) was full, but again we now have one ticket available!

There are [photos on Facebook](#) from several of these events (and a few more from

Scarborough too).

There's lots more fun to come. This evening is [Tennis in Sheffield](#). On Saturday we have our next [Saturday Social in Leeds](#) - please note the slightly earlier start time now from 7:30pm. On Sunday, Paul is hosting [Lunch at Spirit of Sheffield](#). Tuesday is our regular weekly [Badminton Evening](#) with Andy, and also Christine is hosting our next [Dinner Shuffle at The Whitehall in Leeds](#), a fun event where we swap seats between courses. On Wednesday, the adventurous amongst you will want to join Eddie for [Abseiling at the Cow and Calf](#).

I hope to see you some of you on Saturday,
Jonathan

The National Weekend

On the first weekend in August, we are heading to Loughborough for our National Weekend. It's a big get-together aimed at Spice members from all across the country. There will be lots going on across the weekend, with two party nights, a fancy dress theme, a quiz, a race afternoon, walks, swimming, sports, cycling, dancing, museum visits, and Bingo Bango too (and I'm intrigued to know how that works)!

If you've not yet booked, you'll be pleased to know that we still have places available, including some sole-occupancy rooms.

If you are booked on, then click [Find out more](#) to see the details of many of the pre-bookable activities that we have just loaded onto the website.

Weekend and holiday update

We have a new weekend for you this time - the [Gairloch Social, Walking and Whale Watching Weekend](#). With panoramic views stretching as far as the Isle of Skye, Gairloch Hotel overlooks Gairloch Bay and offers a spectacular window to Wester Ross and the Northwest Highlands. From the famed local beaches of Big Sand and Redpoint, to the varied wildlife and opportunity to encounter whales and dolphins offshore, nature lovers will have plenty to get their teeth into. This three-night break is in September of next year, which may seem far in the future, but the Scotland weekends usually fill up very quickly, so book now to secure your place.

Also, remember that we have one last-minute place available for a lady on the [Chester Social Weekend at The Bunkroom](#), this weekend!

While we cannot recommend specific insurance policies as everyone's requirements are personal to them, Spice have linked up with market leader [Staysure Travel Insurance](#), which you may like to take a look at.
