Did Someone Say Party?

Yes, the party season is just around the corner and now is the time to make sure that you are going to be there!

We've just launched our Christmas Dinner Dance and I'm pleased to say that we've got the best Saturday night (December 10th) at a favourite Spice venue. Yes, we're back at The Burlington Hotel on New Street after a break of 7 years! With its cool Victorian charm and the festive markets right outside our door, it just exudes the spirit of Christmas.

This party is not exclusive to Spice, but I'm sure that the Spice tables will be showing the offer groups just how we like to party!

It's only 6 weeks away, so don't delay in booking, click [HERE](#)

If you prefer a Spice exclusive at a different kind of hotel, you can also book the Spice East Midlands Dinner Dance on the following week - or even better, book both! Click [HERE](#)

We have lots and lots of other Christmas events, including food, crafts, walking and much more. To browse them all Click [HERE](#)

Whatever you decide, we'll make sure you have a very merry Christmas and a Spice filled New Year!

Spend New Year with 'The Cheshire Set'!

Such is the reputation of our mini breaks that our Cheshire & Chester New Year Walking & Social Break is already over half full! But the good news is that if you're quick, you've still got a chance to be there.

We're staying at a lovely 4* spa hotel near the historic City of Chester, where we can enjoy great food and excellent leisure facilities.

As ever, we have a lovely walking programme as well as lots of things for the non walkers to enjoy in this lovely, historic part of the world.

As usual, Steve and Arlene have planned some great social times for the evenings, including a New Years Eve to remember!

Oh, and for those who don't want to go home, there is the option of booking an extra night. Perfect!
