Don't miss Christmas!

Time flies, and in just two weeks time we will be enjoying our Christmas Dinner Dance, which is one of the highlights of the Spice year!

So this really is your last chance to make sure that you are going to be there. We're back at a favourite Spice venue, The Burlington Hotel on New Street with its cool Victorian charm and the smell of Glühwein and Christmas Spices wafting from the German markets right outside our door. It just exudes the spirit of Christmas.

We're about to close for bookings, so don't delay, click [HERE](#)

If you prefer a Spice exclusive at a different kind of hotel, you can also book the Spice East Midlands Dinner Dance on the following week - or even better, book both! Click [HERE](#)

We have lots and lots of other Christmas events, including food, crafts, walking and much more. To browse them all Click [HERE](#)

Whatever you decide, just make sure that you don't miss any of the festive treats that Spice have in store, as Christmas is the time for fun and friendship - and Christmas just wouldn't be Christmas without you!

Steve

.. and a 'Rabbie' New Year!

I know we're all focussed on Christmas, but if you want to guarantee the very best Burns Night celebration, you have to get in quick - and our tickets for this one are only available to Spice for the next few days!

This special night on Saturday 21st January is being held at the gorgeous 4* Moor Hall Hotel & Spa in Sutton Coldfield. The night has it all, including the traditional readings; a piper to escort the haggis in solemn ceremony; a delicious four course Scottish dinner; dancing to an authentic ceilidh band and even the chance to see Steve in his Kilt (sorry about that!)
