Twenty free in '23!

Hi

With the cost of practically everything increasing recently, we know that some people are struggling to get out as much as they'd like. We're grateful to you for staying with us, so in 2022 we introduced the [Spice Rewards](#) scheme giving each of our members £100 worth of event vouchers spread across each year of membership, allowing you to attend events at reduced cost, or even free. This year we will additionally offer at least twenty completely free events across Yorkshire, in addition to our regular pub meets and Spice Social nights, to give our loyal members even more opportunities to get out with us, without affecting your wallet. In 2023, Spice membership is even better value than ever!

Our first two free events are the [York Ice Trail](#) and a [Sunday afternoon walk around Sandal Castle and Pugneys](#), but look out for more coming soon.

Happy New Year,
Jonathan

Ski Mayrhofen

The Spice ski season is about to get under way with our trips to Tignes and Madonna di Campiglio departing at the end of next week. There has been recent snowfall across the Alps, so all is set for some great skiing!

Most of our winter sports holidays are fully booked now, but we do still have places available on our week in Mayrhofen, Austria at the end of the season. I will be hosting this one and it would be fantastic if you can join us. Skiing in March has great benefits as there is still good snow cover, but the days are longer and a little milder too, so we can really make the most of our mountain time. With 136km of piste in the local area, and a huge total of 515km in the Zillertal area, you'll never be short of somewhere new to ski.

Weekend and holiday update

It's only just over a week until our first weekend break of the new year, and we still have a couple of places available in the ladies' dormitories for the [Hathersage Hostel Weekend](#).

Our [Easter City Break in Lincoln](#) has proved very popular and all the rooms we had initially reserved are taken. We now have a few more shared rooms available so book now if you want to join us!

Several more [Walkwise weekends](#) have been loaded onto the website in the last few days, and some of these are now three-night stays. They fill very quickly, so book now, particularly if you prefer a room to yourself!

While we cannot recommend specific insurance policies as everyone's requirements are personal to them, Spice have linked up with market leader [Staysure Travel Insurance](#), which you may like to take a look at.
